ETPL APPROVED COURSES

Certified Clinical Medical Assistant (CCMA) (Voucher Included)

The student will learn the professional traits and responsibilities to become a vital part of the healthcare team in a medical office, clinic, hospital, and other healthcare settings. They will also be prepared for the Certified Clinical Medical Assistant (CMAA) exam.

Certified Medical Administrative Assistant (CMAA) (Voucher Included)

The student will learn the professional traits and responsibilities to become a vital part of the healthcare team in a medical office, clinic, hospital, and other healthcare settings. They will also be prepared for the Certified Medical Administrative Assistant (CMAA) exam.

CompTIA A+ Certification Training (Vouchers Included)

This course helps prepare the student to earn the CompTIA A+ credential by passing both required certifications. Exam topics include various computer hardware and software aspects, including mobile devices, networking technology, virtualization, cloud computing, security, and operational procedures.

Medical Billing and Coding (Voucher Included)

Train for an in-demand healthcare career in medical billing and coding and prepare for industry certification in this course.

Pharmacy Technician (Voucher Included)

This course will train the student to work as a pharmacy technician and prepare for the Pharmacy Technician Certification Exam (PTCE®) to obtain the Certified Pharmacy Technician (CPhT) credential from the Pharmacy Technician Certification Board (PTCB®).

Peer Support Specialist

This is an introductory course to Peer Recovery Services, which are provided by people who have personal experience in recovery from addiction, mental illness, or co-occurring substance and mental disorders.

Registered Behavior Technician Training (Voucher Included)

This course provides the essential skills and knowledge to meet the 40-hour training component, which is one of the requirements by the Behavior Analyst Certification Board (BACB) to become and RBT.

Sterile Processing Technician (Voucher Included)

This course trains the student to work as an SPT and prepare you for the Certified Registered Central Service Technician (CRCST) certification from the HSPA.
